WE WANT YOU!

01

Co-design

We are looking to co-design solutions to violence against women and girls with young people across LLR. We will be co-creating resources, an education package and a bystander campaign to prevent sexual violence. Here's how you can get involved!

02

Requirements

- A minimum of 6 young people for the group session, maximum of 10.
- Young people must be aged between 10 - 19 years old.
- The organisation has a space for the co-design session to take place in.
- You can take part in the co-design sessions within these dates: 06.05.24 - 12.05.24.

03

Application

Fill out the application and tell us why your young people would be a great group to partake in the co-design session.

Deadline: 21.04.24 - 5pm

04

What we can offer

- A £20 one4all voucher for each young person who participates.
- A certificate for each young person from the OPCC to recognise their contribution to co-designing the violence against women and girls initiative.
- An opportunity for the young people to join the empowering voices making choices oversight group to oversee the project.
- A £1000 grant awarded to the organisation.
